

February 2018 CLEARFIELD ALLIANCE CHRISTIAN SCHOOL

Snow Make-Up Days: 2/16, 2/19
Hot Lunch: \$2.20

Nutrition Tip: Focus on color. Encourage kids to include 4 colors of healthy foods in their diet each day. Kids can snack on clementines, sugar snap peas, antioxidant-rich red peppers or any other colorful fruit or vegetable in lieu of sugary cakes and candy. There is more to a food's color than meets the eye. Every color offers unique health benefits for your child.
